Adult Day Services Week

This month, we are celebrating Adult Day Services Week. Adult Day Services Week is September 17th– 23th. We take great pride here at the Hamburg Adult Day in providing, what we strive to be, great services to the people we serve. We aim for our services to be person centered and to encompass both mental and physical wellness to those we have the pleasure of seeing throughout the week.

This month we would also like to thank our staff who always strive to help others with open arms and a warm heart. We are happy to say that our staff really love what they do, and their energy is contagious. They each engage others in a different and unique way, and we applaud them all for their enthusiasm. So we would like to take this opportunity to thank all the staff for a job well done.

Town of Hamburg Supervisor: Randall Hoak

Council Members: Megan Comerford, Shawn Connolly, Beth Farrell, Karen Hoak

Director: Jillian Gorman-King

Senior Program Coordinator: Rosanne Witryk

Program Coordinator: Meghan Guziec

IF YOU ARE SICK, OR SOMEONE YOU LIVE WITH IS SICK, PLEASE STAY HOME FOR AT LEAST 24 HOURS!

We love ALL our participants and caregivers but not the germs that come with the season. **Please call and let us know if you are experiencing any symptoms related to having a cold, stomach flu, or COVID-19. If you (or anybody in your home) are experiencing these symptoms, we ask that you stay home.**

Consult with you or your loved one's physician to determine if you should seek further medical attention. Follow the professional's directions. We also ask that, even if you are feeling better, you stay home just a few more days. We want to make sure you are not contagious, as we would not want anyone else to become ill. We appreciate your cooperation with this matter.

Symptoms that might warrant you to stay home:

Fever or chills, coughing, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea

*** IF YOU HAVE ANY OF THESE SYMPTOMS PLEASE REMAIN HOME AND CONSULT WITH YOUR DOCTOR! WE CANNOT EXPRESS HOW IMPORTANT IT IS TO US TO KEEP EVERYONE SAFE!**
