### A message From the Youth, Recreation, & Senior Services Department

Please pardon our dust, as our department will continue to organize and pack for our move in June. The Senior Services programming, along with the rest of the Youth, Recreation, & Senior Services Department, will be moving into Erie Community College - South (Building 4) temporarily. Rest assured, all of our programming will continue at ECC while our permanent home is being built (est. early 2026). Be sure to stop by our foyer for up to date information about our move. We look forward to you joining us on this adventure!
