

In an effort to maximize our tee times and ensure accountability, we have activated a Tee Time Reservation “No Show” policy.

The policy consists of;

Any golfer that incurs three (3) No Shows will have their tee time reservation subscription suspended for the remainder of the current golf season.

A No Show consists of one or a combination of;

- No one showing up for a scheduled tee time
 - 2 or more golfers not showing up for a scheduled tee time
 - Anyone in a group late (1 minute or more) for scheduled tee time
 - The golfer who made the tee time not showing up
 - A full or partial cancellation occurs within 30 minutes of scheduled tee time
 - We also reserve the right to address anyone we feel is using the system to their own advantage but contrary to that of the tee time membership at large
-
- Only the golfer who’s name the tee time is under will be penalized.
 - Day of golf tee time adjustments (i.e. cancel, change number of golfers, change time) can be done thru the tee times system (online or automated phone) or by calling the clubhouse and reporting to staff there. Tee time adjustments ahead of the day of golf must be done through the tee time system.
