

Traffic Safety Advisory Board

Feb. 11, 2021 Agenda

Call to order

Attendance

Review and approval of minutes

New Business

1. Request for No Jake Brake signage – ordinance??
2. Update: Clark Street speed reduction – ready for resolution? Increased enforcement?
3. No Parking request for Winterway Lane – resident wants signs all along the curve of road as you enter the neighborhood
4. Request for Signs on *Princeton Road (in the newer section of carnegie) Dead End Off of Bradford Street.*
 - a. “I work for Frontier Central School District as a Head Bus Driver. We are having an issue with safety of maneuvering buses in the turn around at the end of the road. We have had several negative interactions with the party whom is blocking the area with personal vehicles. We contacted the Town of Hamburg Police, Officer Butera responded to the call and was not successful with making a positive outcome with a resident of Princeton as the resident is using the "no sign posted" against us and officials. As a Licenced commercial driver I find this to be a safety issue not only for school buses but also delivery vehicles, garbage trucks and all other large vehicles.” - *Angela Negroni* "7167967554
