- B) Low and moderate income persons/families who are in most need of temporary assistance.

* = Due to the funding source for this program, assistance will be provided to persons/families who are most likely to achieve and maintain stable housing once they have been assisted by our program. Eligibility is limited to a one (1) time use (subject to funding/availability)

II) Definitions:

A) Low and moderate income (as of June 15, 2022):

<u>Family Size:</u>	<u>Maximum Income:</u>

5	\$75,800

B) At - Risk of becoming homeless:

- 1) Household has received notice that they will be evicted.
- 2) Household has experienced a sudden and significant loss of all income.
- 3) Household has experienced a sudden and significant increase in their utility payments to the point where they can no longer afford them.

C) Homeless:

- 1) Living on the street, car, park, sidewalk, or abandoned building.
- 2) Living in an emergency shelter.
- 3) Is being evicted within a week from a private dwelling.
- 4) Is being discharged from an institution without having anywhere to go/reside.
- 5) Is fleeing existing housing due to one of the following reasons:
(Domestic Violence; Physical Abuse; Sexual Abuse; etc.)

III) Specific Measures:

Measures provided to clients/families must be utilized for clients/families that ARE currently homeless or AT RISK of being homeless with no appropriate, subsequent housing options along with lacking the financial resources and support network needed to obtain immediate replacement housing or to remain in their existing housing. Clients/families must be low or moderate income (80% of Erie County Median Income or lower - based upon the criteria designated by HUD, which is subject to change at any time throughout the year) and must currently reside within the Town of Hamburg. All services and assistance to be provided on a temporary basis only. It is the intention of the Town of Hamburg to stabilize an existing household situation so that time and effort can then be directed to the client/family receiving case management assistance, housing search assistance, legal services, advocacy, and, in some cases, financial assistance from the Town of Hamburg, if funding is available in ample supply.

IV) Financial Assistance Uses:

A) Rent Arrears/Short-term Rental Assistance:

A maximum of three (3) months rent can be offered as financial assistance to approved, qualified households/families. In determining financial assistance, it must be clear that the financial assistance to be provided will be sufficient to assist the household/family. Each household/family is eligible to utilize this program once (or once per grant year in extreme or rare cases of need as determined by the Director of Community Development), so as to avoid abuse of the system and to protect program funding. If a household/family is so far delinquent in their rent or mortgage that three (3) months of financial assistance would not be enough to help the overall situation, no funding can be provided from the Town.

B) Utility Arrears:

A maximum of three (3) months of utility payments can be offered as financial assistance to approved, qualified households/families. In determining financial assistance, it must be clear that the financial assistance to be provided will be sufficient to assist the household/family. Each household/family is eligible to utilize this program once, (or once per grant year in extreme or rare cases of need as determined by the Director of Community Development) so as to avoid abuse of the system and to protect program funding. If a household/family is so far delinquent in their utility payments that three months of financial assistance would not be enough to help the overall situation, no funding can be provided from the Town.

C) Extreme Homeless:

If in the combined determination of the "Town", an extreme, emergency homeless situation is presented by any household/family, a provision of payment to a motel/hotel for a short period of time (one week or less) may be provided to said household/family. The household/family must sign a "Hold Harmless" agreement for both the "Town" which will state that the "Town" is not responsible or liable for any breach of contract, accident liability, or damage which might arise from the household's/family's utilization of a motel/hotel. Only a determination by the "Town" will determine who is specifically eligible for this assistance. Only the "Town" can approve financial assistance under this program.

V) Program Regulations:

A) The Director of Community Development for the Town of Hamburg or his/her designee has the final say/decision in all matters/situations pertaining to this program.

B) The program regulations can be changed at any time throughout the grant year due to reasons of funding or program need. In addition, the entire program may be withdrawn and/or changed by the Town of Hamburg Department of Community Development for reasons of funding or program effect.
